# Once Upon a Time ...

in the Enchanted Forest of Trustworthia, humans and magical creatures lived together in complete harmony. All who inhabited the Forest of Trustworthia were loyal friends, and they were honest, helpful, courteous, and kind to each other. The children were cheerful, the shopkeepers were thrifty, the knights were brave, the workers clean, and all were reverent. It was a fairytale life until one day, the Great Wizard appeared, bearing this warning ~ "Beware the Dragon of Despair and Dishonesty!" Will the evil dragon break the enchantment of the forest and bring doom to Trustworthia, or will a mysterious Ranger appear to teach the forest folk to defend and protect their beloved home?
