

Chief Cornplanter Council 2025 CUB SCOUT SUMMER ADVENTURE

ADULT STAFF APPLICATION FORM

Volunteer applications are accepted on a first-come, first-serve basis!

Adult volunteers are **crucial** to the success of our Cub Scout Camp. If you would like to be a Cub Scout Summer Adventure Staff Member, we'd certainly appreciate any assistance you can give! You **MUST** serve on Staff for all four days of camp to be entitled to **one discounted registration** for your Scout (non-transferable), and you **MUST** attend the training sessions and work bees, and assist with camp set-up and tear-down. You will **NOT** receive a discounted registration for your Scout if you do not attend the Staff training sessions and help with set-up and tear-down. Staff members who do not fulfill their required staff duties **must pay full camp fees** for their Scout's participation.

Packs will be billed for outstanding fees resulting from Staff no-shows, if necessary.

Registration discounts LIMITED to the first 15 eligible and approved applicants!
